Dear Parents,

I am looking forward to seeing our new and returning students and having all of you as part of our Upper School community. I have compiled some information as you prepare for the start of school on Wednesday, 18 August 2021. Please do not hesitate to email Mrs. Amy Stabile, my Administrative Assistant, at astabile@farragut.org or call our office at 727-384-5502, if you have any questions.

Bring Your Own Devices: Google Chromebooks are the recommended devices for our school. Students are able to access all of our apps and programs with ease using these devices. Prices vary for Chromebooks ranging from \$129 and up; please pick one that will fit your child's needs. Students are responsible for the security of their personal devices.

If a student already has a laptop, they may continue to use it (we prefer no MACs). Although we encourage it, we do not require students to have a computer.
