

GIVING

Faculty and Staff Supporting the Mission of ADMIRAL FARRAGUT ACADEMY

THE ANNUAL FUND FOR STUDENT ENRICHMENT

Since Farragut is a non-profit, tuition alone does not cover all the costs of educating a student. The strength of Farragut's giving community is a direct reflection of whether the parents, alumni, faculty, and staff believe in the school's mission and are willing to make contributions to support it. Please consider *a gift of any amount* to go to the Annual Fund.

THE NEW BUILDING CAPITAL CAMPAIGN

The New Building will be an innovative multi-use center that will enhance the Farragut Experience for the entire school. **Fundraising Goal: \$4 Million**

This exciting project includes:

- 🔗 Auditorium/multi-purpose room that seats 400
- 🔗 Music, drama, and art classrooms
- 🔗 Offices and conference rooms
- 🔗 More campus parking

We ask for
100% participation!

EVERY GIFT COUNTS. 100% participation shows loyalty and commitment to the high standards of Admiral Farragut Academy. This also gives a vote of confidence to other donor groups including corporations and Foundations that make grants to non-profits.
