The Tuition Deposit and the Contract is due by March 15th to guarantee student spot.

In case of change from boarding to day student, no rebate will be made from boarding tuition. In case of change from day student or 5-day to 7-day boarding, boarding tuition will apply and the difference between day and boarding tuition will be due.

A tuition deposit is required to secure a place in the student body for the school year. The tuition deposit is refundable if the Business Office receives written notice of cancellation by June 1, 2018. If, in the opinion of the Board of Trustees, it becomes inadvisable to admit an enrolled student the tuition deposit will be refunded. **After June 1st, the undersigned is responsible for all tuition, uniforms, books and other fees as well as the Student Expense Account (for boarder only) as outlined in the "Tuition" sheet.**

The running expenses of an educational institution such as this are practically fixed charges, and no gain accrues to the institution on account of any vacancy which may occur during the above prescribed period. For these reasons students are enrolled upon the express condition that they remain at the Academy until the end of that period, unless dismissed for breach of school discipline or inaptitude. In case of such dismissal, or in case of administrative or voluntary withdrawal, no rebate will be made of tuition, fees or other charges, and any money already paid to the Academy for tuition, fees or other charges, shall be retained by it as earned, or as liquidated damages and any unpaid balance shall become immediately due and payable to the Academy as earned. The "Parent" or surety signing this Application expressly assumes the risk of loss which might be occasioned in the event a cadet is withdrawn from the Academy for medical reasons.

An interest charge of 1.5% will be made upon any late payment to reimburse the expenses of special handling of the payment. All accounts will bear interest of 18% A.P.R. on remaining unpaid balances after a due date during the contractual year. Should any payment become in arrears, the Academy reserves the right to deny a student's transcript and records until all payment is met. The Academy also reserves the right to refuse classroom privileges and/or grades to any student whose financial obligations are in arrears. Upon default of payment of tuition or other lawful fees or charges, the "Parent" will be liable for any and all costs of collection, including but not limited to attorney's fees and expenses incurred without court proceedings and attorney's fees and expenses incurred with court proceedings. All court proceedings will be conducted in the venue of the Academy.

The student is required to have medical insurance acceptable to the Academy upon enrollment. Proof of insurance must be on file in the infirmary before the student can attend class. Regardless of the medical insurance on file, the "Parent" is responsible for all medical expenses of the child.

The Academy does not carry insurance on the personal belongings of students and is not responsible for the loss or damage from any cause. This coverage may be purchased through outside agencies. Valuable items should be left at home. The school will make a reasonable effort to protect personal property.

The Academy believes that a positive and constructive working relationship between the Academy and a student's "Parent" is essential to attain the educational mission of the Academy. The Academy accordingly reserves the right to terminate or not renew a student's enrollment contract if the Academy in its reasonable discretion concludes that the actions of a "Parent" do not support a positive and constructive relationship. When the Academy determines that the student presents immediate danger to himself/herself, to faculty, to staff, to the student population or to the physical property of the Academy the student can then be dismissed without prior hearing.

The undersigned "Parent" consents that his/her child or ward undergo drug testing upon reasonable suspicion that drug usage has occurred. This consent shall remain in force and effect during the period of time that the student is enrolled or in residence at the Academy.
