

ADMIRAL FARRAGUT ACADEMY

**Reach**  
FOR THE STARS

**FUNDRAISING AUCTION & GALA**

Dear Supporter and Friend,

For 20 years the Parents' Group, which consists solely of Admiral Farragut Academy parent volunteers, has raised funds to pay for additional school needs that are not allocated in the school's budget. **Last year the Parents' Group Auction raised more than \$100,000!** That generous amount allowed us to enrich student life on campus in many ways, including STEM Program enhancements for both the Upper and Lower School, pool resurfacing, adding a lightning detection system, new fencing around the Lower School, and much more.

**This year, we hope you will join us for something new and exciting by sponsoring or attending ["Reach for the Stars" on Saturday, April 6, 2019, from 6:30-10:30 p.m.](#)** "Reach for the Stars" will be the first time Admiral Farragut Academy will open its doors to the new performing arts building, DeSeta Hall, and is a special sneak peek until the grand opening in October. Expect to be surprised, delighted, and over-the-moon when you see this amazing space and witness art-in-concert by **Michael Israel** who is a world-renowned American artist, entertainer, speaker, and humanitarian famous for "Speed Painting" performances and inspiring compassion and support for many charities. He has shared the limelight with celebrities, CEOs of Fortune 500 companies, and world leaders. [Watch this video.](#)

As you may know, Admiral Farragut Academy offers an array of opportunities that most private boarding and day schools do not. With two graduates who have walked on the moon and course offerings from scuba to aviation, Farragut is proud to offer our students the opportunity to quite literally "*Reach for the Stars*".

We hope you also extend the invite to your friends, family, neighbors, employers, employees, and more too! With an exciting artist like Michael Israel, we are inviting the community-at-large including art enthusiasts, politicians, corporations, Farragut friends and family, and more. Please note this event is 21 and up.

Sponsorship levels and ticket prices are listed on the next page.

We hope to see you there!

Sincerely,

Marjorie Deskovich, AFA Parents' Group President
