WRESTLING CAMP

Hosted at
ADMIRAL FARRAGUT ACADEMY

ABOUT THE CAMP

The Beebe Trained Wrestling Camp is designed to shape athletes into better wrestlers by improving technique, mental toughness, and mat strategy. More importantly, we aim to show athletes how wrestling can be used to instill life lessons such as work ethic, goal setting, and discipline. Each full day will consist of three sessions (11 sessions in all). The first two sessions of the day will be technique sessions from some of the best wrestling minds in the country followed by a live/sparring session to end the day. Sunday's lone session will be a round-robin style tournament and families are welcome to watch.
